HARBOR LIGHT OBSERVATORY CLUB

Telescope Loan Agreement

Form TL-14
Revised January 2026

The club lends telescopes to members so that more people can see the sky for themselves. Complete sections 1 to 3, read the conditions, and sign on page 2. A volunteer will check the instrument with you when you collect it.

RETURN BY:

DEPOSIT (USD): 40.00

4 Conditions of the loan

4.1 The instrument remains the property of the club. It is lent to the named borrower only and may not be passed to anyone else without the written agreement of the loans desk.

4.2 A refundable deposit of 40 dollars is held until the instrument is returned complete. The deposit is repaid within seven days of the return.

4.3 The borrower will keep the instrument dry and indoors between observing sessions, and will never point it at or near the sun. Solar viewing needs a certified filter that the club supplies on request.

4.4 The instrument must be returned by the date in section 3. A loan may be extended once, by two weeks, if no other member has asked for it.

5 Care, damage and loss

5.1 Lenses and mirrors are never to be cleaned by the borrower. Dust is blown off with the supplied bulb and nothing else touches the glass.

5.2 Damage that follows normal use is the club’s to repair. Damage from a fall, from water, or from use against these conditions is charged at the cost of repair, up to the replacement value shown on the equipment label.

5.3 Loss or theft is reported to the loans desk on the same day. The deposit is kept and the borrower is asked to meet the balance of the replacement value.

5.4 The borrower agrees that the club may share name and contact details with the volunteer who delivers or collects the instrument, and with no one else.

6 Initials
